EVENT DATES AND LOCATIONS

SECOND SATURDAYS – AT THE SHOPS AT NORTHFIELD

Back by popular demand, it's Second Saturdays! Several customers told us that they preferred having a monthly event to look forward to. We will be taking over 47th Ave, and the Patio at The Shops At Northfield. If you did our Black Friday event at this location in 2025, it would be the same setup. This is a great family event where shoppers love to visit on the weekends, especially when school is in session. Vendors with price points of \$50 and under often do well here. This location is strict about which food vendors they will accept, so please message us if you're a food vendor. Electricity, bathrooms, trash, and free parking are all available at this location. Free water will be available for our vendors.

Thank you for your understanding!****

SECOND SUNDAYS – AT CENTRAL PARK IN BOULDER, CO

We are excited to be taking over Central Park in Boulder every Second Sunday of the month, May through October this year! This is the same location as Boulder Creek Fest and the Boulder Farmer's Market, both of which do very well year after year. We will be setting up in the park as well as 13th Street. This event space is adjacent to Canyon Blvd and Broadway, so the visibility is high!

PLEASE NOTE: You must have a **Boulder Sales Tax License** prior to your participation in any of these events. Visit <https://bouldercolorado.gov/services/sales-and-use-tax> to apply today!

Anyone serving food or drinks (not Cottage Foods) must be licensed with Boulder County Health - visit <https://bouldercounty.gov/records/licenses/restaurant-and-food-vendor-licensing/> for more info.

Please understand that these spots are reserved specifically for you once you pay your booth fee. We do not oversell spaces, so trying to fill your spot with a similar category right before an event is oftentimes impossible. Thank you for respecting our time and efforts with these events.

Cancellations: In the event an Artist is not able to participate in an Artisan Markets event, the Artist/Vendor agrees to notify the Lessor by phone/text 719-900-1993 AND email info@artisanmarkets.co (Please include your name, business name, and booth number when reaching out so we can help you faster). Lessor, in Lessor's sole discretion, may treat Vendor's failure to participate in such Artisan Markets event as a material breach of Vendor's obligations under this agreement terminating Vendor's right to participate in future Artisan Markets events, and may retain all booth fees as liquidation damages for Vendor's contract breach.

Booth Size: Booth spaces are at minimum 10x10 feet. All booths will be in-line with the exception of a few corners. Corner booths will be at the beginning and end of the event space and will be very limited. Double booths will be 10x20 feet, and are very limited as well.

Booth Assignments: Booths will be strategically placed with each category in mind, creating a fun and interesting shopping space for our customers. **Booth placement is final.** Booth assignments with vendor instructions (setup, teardown, sales tax info, etc.) are sent up to two weeks prior to the event.

Tents: **White canopies are required for all events at The Shops At Northfield. Canopy rentals (topper only, please bring your 10x10 frame!) are \$25 per event date and will be very limited in quantity. Please message us at least two weeks prior to each event to ensure their availability. Rental canopies are due back at the end of each event day, or the Vendor will be charged a \$75 fee. Failure to pay will result in forfeiture of future booth placement and fees.

All tents must be clean in appearance, and without visible stains or holes.

Tent Weights: A minimum of 40lb per tent leg is required. Vendors will not be allowed to remain set up if their tents are not properly weighted. We like to fill these tent weights up with gravel, no mess! <https://www.amazon.com/Eurmax-Universal-Upgraded-Weight-Weights/dp/B07B2N58PJ/>

Subleasing: Artists who are collaborating together, but selling separately *must* submit two different applications. Please email info@artisanmarkets.co to let us know that you're applying together for **one booth space**. A maximum of two artists may vend together. If you sell your booth space to another vendor, you will be banned from all Artisan Markets' events.

Weather: There will be no refunds for inclement weather. **These events will be held rain or shine!** 40lb weights per tent leg are required. In the rare occasion that the location requires evacuation or cancellation due to *severe* weather, Artisan Markets will refund based on the percentage of the event that was completed (i.e. if the event was cancelled before it started, 100% of the booth fee will be refunded. If 45% of the event hours were completed, 55% will be refunded). If more than 60% of the event hours were completed, no refunds will be given.

Sales Tax: It is the Vendor's responsibility to collect and submit local and state sales tax as required by law. You are required to have a copy of your sales tax license available (screenshot or photo is ok) in case of an inspection. You can find more information about sales tax licenses here: <https://tax.colorado.gov/sales-tax-guide>

All of our events will require the **Special Event Sales Tax License** (also known as the Multiple Event Sales Tax License, it's green). This license is free when you already have a Retail Sales Tax License (it's blue). Otherwise, the fee is \$16 and is valid for two years. You can find more information about the Special Event Sales Tax License here: <https://tax.colorado.gov/special-event-license> or fill out the [DR_0589](#) form.

All City and State tax information/requirements will be communicated before each event date.

Food Licensing: It is the Food Vendor's responsibility to ensure that they are compliant with local and state laws for Cottage Food and Potentially Hazardous Food laws. You can read more about this here: <https://cofarmtomarket.com/food-regulations-licensing/general-licensing-requirements/>

Liability Insurance: Liability insurance is recommended for all Artisan Markets events. This is just in case a customer trips over your display, something falls on them, or if the weather picks up and knocks your tent into someone or something (this has happened!). You would be 100% liable for any of these instances. Please check with your homeowner's insurance, renters/car insurance for more options. There are also options to cover your products after an accident, theft, or weather-related events. Nothing is worse than losing your entire booth in a storm, and not having coverage.

You are welcome to use the insurance carrier of your choice. If you are an artist/crafter, we recommend www.actinsurance.com. For food vendors, we recommend www.fliprogram.com.
